Mike Waterston 1947 - 2026

It is with great sadness that we share the news that Mike Waterston died on 18th February, after being unwell for some time. Even during his illness, he never lost that special thing that made him who he was - full of energy, quick to laugh, and always ready with a bright idea.

Mike was a talented and imaginative businessman, but more importantly, he was someone people genuinely loved to be around. His wry sense of humour, easy warmth, and gift for seeing possibilities where others saw obstacles made him unique both as a friend and colleague.

He will be deeply missed by his family, friends, and all who were lucky enough to know him. His kindness, enthusiasm, and unforgettable style, we are all incredibly grateful to have known him.
